**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I get my internet access from a small copper wire company in Davis California. omsoft

I love omsoft

it is one of the best and most responsive vendors of a service with whom I deal

better than my doctor or lawyer

I neeve have the problems that my neighbors who use comcast or at & t have. If you lived in davis
you would use omsoft

please don't put them out of business

let there be small business competition

thanks
